

# DigiPrime 1st Webinar for Regional Early Adopters

## Introduction

DigiPrime is a European project funded under Horizon 2020 which aims to develop a Digital Platform for the Circular Economy, which connects companies and service providers, in order to unlock/develop circular business cases based on the recovery and reuse of materials in all sectors. As part of its validation and impact creation activities, the project aims to attract and collaborate with various organizations at the European level that can become the Early Adopters of the platform.

## The objectives of the webinar:

- Showcase DigiPrime capabilities and benefits
- Collect feedbacks and suggestions
- Identify opportunities for exploiting DigiPrime
- Develop a roadmap for meeting with additional stakeholders and start using DigiPrime

## On the other hand, the participants involved will benefit from:

- Being involved in an EU initiative/cross collaboration between EU regions
- Co-Shaping DigiPrime development/deployment in regions
- Support Circular Economy deployment in own region based on specific strengths and well-chosen partnerships
- Reinforce competitiveness domestic SMEs and resilience of the regional economy
