*with certificate

In the first year of membership, the annual membership fee is reduced proportionally to the number of months remaining in the calendar year from the date of the Board's decision to accept the applicant.

The admission fee must be paid within two months after confirmation of admission by the Board of Directors.

The annual fee is due on February 28 of each year. In the year of admission, the respective annual fee must be paid within two months after confirmation of admission by the Board of Directors.

Members are free to pay a higher annual fee.
